Diary No. 2283 Enclos. Spare Copies - Serial No. 8

BRIEF ABSTRACT OF LETTER.

Requests sanction to the grant of Rs 1000/- out of the Sarvamanya deposit amount for use in the shape of Khillats &c on the auspicious occasion of H.H. the Yuvaraja's marriage.

NOTES AND ORDERS.

[An amt of Rs 400/- was sanctd recently for this purpose at the request of the Swami of the Vyasaraya Swami matt]

The amt asked for by the Sravanabelagola Swami is 1000 Rs & seems rather Excessive. Subt for orders.

Did we give anything at all on the last occasion. How can this be a charge on the funds in their hands of Govt.

SD

all the files connected with H. H's marriage, Installation &c ~~have~~ were subd to the Dewan in Conn. with the subject of spl. services during H. H Yuvaraja wedding. These files may throw some light on the point - whether we gave anything for the purpose from the matt funds on the last occasion.

It is respectfully submitted that for the same reason that the amt of Rs600 was given from Bgavanayaswami matt for this purpose, it seems to be a proper charge on the funds of the matt administered by Govt.

Respectfully submitted for orders.

RL

P.S. I would venture suggest that ~~as~~ in view of the very short time there is before the Royal wedding, an order may be passed authorising the matt to incur Expr to the Extent incurred on the occasion of H. H's marriage & a bill sent to Govt in due course for Govt sanction.

It is better not to do anti file No. 654. Give separate file Number & return. Govt have caused much confusion by giving the number

I may note that it is desirable that all papers connected with one & the same subject should be traceable from the same file register (this terminates here & formed files Register of Offt. collections) this paper was file registered in 6524 of 09. However to meet the wishes of the Madras Govt a separate file No has been opened for this paper & the proper countermark thereof has been made.

There are two questions for consideration in this case. The first is whether Rs 1000 are necessary. The second is whether this amount of money necessary should be paid out of the funds in the hands of the Govt.

As regards (1) I am of opinion that Rs. 1000 is too much.

The Vyasarayaswami asked for Rs 1000; and the articles they presented were worth three. They were presentable; though this fact does not show that they were only worth Rs 200 or Rs 300 and not Rs 400 or 500 or higher.

As I have told the Dharmakarta Belagola Math Agent Sastry is strongly that he need not spend more than Rs. 300 or Rs 350.

The question of accepting a khillat from the Mysore Govt also not to have been settled yet.

As regards (2) I am not satisfied that this is a legitimate charge on the funds in the hands of Govt. which I believe belong to the Jain Temples. Anyhow this is a matter that I like to be settled after the draft estimate & further information may be approved. The question of the Swami towards regards the Temples will also be considered
